

Clean Curtains. Less Hassle.

Plant-based stain resistance that allows privacy curtains to be wiped clean, helping reduce laundering costs and extend curtain life.

- + WIPEABLE
- + PFAS-FREE
- + LAUNDERABLE
- + RECYCLABLE

CLEAN IN PLACE

Wipe away most fluids and stains without removing the curtain.

LOWER LAUNDRY COSTS

Spend less on curtain processing and replacement.

IMPROVE MATERIALS

Made without PFAS or polyethylene coatings.

WHY CHOOSE EVERGUARD FROM PHOENIX TEXTILE?

EVERGUARD privacy curtains feature a plant-based stain-resistant finish that repels liquids while maintaining a soft, attractive appearance. The durable fabric supports infection prevention efforts and helps facilities cut maintenance costs and water usage.

PLANT-BASED FINISH

Repels liquids and stains

WIPEABLE SURFACE

Clean most spills in place

PFAS-FREE

Supports healthier environments

LAUNDERABLE

Easy facility processing

RECYCLABLE

Reduced environmental impact

REDUCE WATER USAGE

Less washing conserves resources

RECOMMENDED DISINFECTANTS

- Bleach-based wipes
- Sani-Cloth Wipes
- Lysol cleaners and wipes
- 70% isopropyl alcohol
- Oxivir cleaners and wipes
